Dr. Dhananjay Sontakke, Coordinator, welcomed all the members of the Committee and explained the importance of IQAC decisions in the functioning of the college.

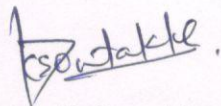

1. The following issues were raised during the discussion

- a. Coordinator IQAC informed the Committee about NAAC report (Second Cycle-2014). The committee has mentioned institutional strength and the weaknesses. In this regard the committee member suggested that efforts should be made to minimize the weaknesses and strengthened the strength of institution.

- b. Coordinator IQAC informed the Committee about setting-up of committee who will look after the seven criteria of AQAR and setting-up of IQAC information on college Website. The Committee recommended that all information may be uploaded on the website.
- c. Faculty Self Assessment Form (API) will be handed over to IQAC by the end of session. As well as Student Evaluation Form will be developed. It was decided that the teacher concerned will take care of getting feed-back from students and Faculty. The college/ teachers can utilize the information for improving teaching methods.
- d. IQAC is planning to hold a Work shop in order to familiarize people about its functioning.
2. Coordinator IQAC briefed the Committee regarding the plan of activities during the year.
- To create research climate in the institute lectures on methodology will be organized and teachers and students will be encouraged to go for small research projects
 - Institutional Social Responsibility will be drafted and according programmes will be organized.
 - A cell for competitive examination guidance will be established
 - Guidance and counseling centre will be formalized.
 - Publications of students and teachers will be encouraged, collage may start research journal.
 - Planning regarding consultancy services
 - Implementation of skill development programmes
 - Establishing placement cell

The Committee discussed different issues related to implementation of the above programme

The meeting ended with thanks to the Chair.
